

# 5is

M.C.D.

## 5th International Symposium of the Mathematics on Chromatin Live Dynamics

March 7 [Tue.] - 9 [Thu.], 2017

at Higashi Hiroshima Arts & Culture Hall Kurara

7-19 Saijo Sakaemachi, Higashi-Hiroshima City, Japan  
<http://kurara-hall.jp>

M. Madan Babu  
Medical Research Council (UK)

Bi-Chang Chen  
Academia Sinica (Taiwan)

Tammy M. K. Cheng  
Cancer Research UK London Research Institute (UK)

Chikara Furusawa  
Riken Quantitative Biology Center/The University of Tokyo

Susan M. Gasser  
Friedrich Miescher Institute (Switzerland)

Yuki Hara  
Yamaguchi University

Yasushi Hiraoka  
Osaka University

Yukitaka Ishimoto  
Akita Prefectural University

Hitoshi Kurumizaka  
Waseda University

Jian Liu  
National Institutes of Health (USA)

Marc A. Marti Renom  
Centre for Genomic Regulation (Spain)

Alexander S. Mikhailov  
Fritz Haber Institute of the Max Planck Society (Germany)

Tanja Mittag  
St. Jude Children's Research Hospital (USA)

Nobuhiro Shirai  
Mie University

Nico Tjandra  
National Institutes of Health (USA)

Organised by RcMcD, Hiroshima University  
Supported by Japan Agency for Medical Research and Development
